### **NOTICE OF ALLOWANCE**

1. Applicant's amendment filed 6/19/2008 is acknowledged. Claims 1-26 have been canceled. Claims 27-37 are pending and addressed below. All of the amendments and arguments have been thoroughly reviewed and considered. Applicant's amendments place the claims 27-37 in condition for allowance. Accordingly, all of the prior art rejections of the prior Office Action are withdrawn. An examiner's statement of reasons for allowance appears below.

#### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance: the claims 27-37 are deemed in condition for allowance because no prior art was found teaching or suggesting the combination of SNPs as recited in the Groups 1-6 for positively detecting the presence of lung cancer in a sample in a single assay. The prior art does not recognize the association of different SNPs in the various combinations with an increased specificity of detecting lung cancer as required in the claims. Accordingly, the claims are deemed novel and unobvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to CYNTHIA B. WILDER whose telephone number is (571)272-0791. The examiner can normally be reached on a flexible schedule.
